

Fri

0730-0830 Breakfast Session Echocardiography Workshop

0730-0830 Echocardiography Workshop for Aortic Stenosis Greg Scalia and Lisa Simmons

0830-0850 Interval

0850 - 0900 Welcome and Introduction

The TAVI Revolution: The Treatment of Aortic Stenosis has Changed

0900- 0920 State of the Art: Severe Aortic Stenosis – When AVR? Martin Ng

0920 - 1000 **Keynote Lecture:** Transcatheter Aortic Valve Implantation: State of the Evidence and Future Directions

Raj Makkar

1000 - 1020 The Role of Balloon Aortic Valvuloplasty in the Era of TAVI

Ronen Gurvitch

1020 - 1040 Advances in Surgical Aortic Valve Replacement

Michael Wilson

1040 -1110 Morning Tea

Aortic Valve Imaging in the TAVI Era

1110 - 1140 Aortic Valve Echocardiography in the TAVI Era Lisa Simmons

1140 - 1200 CT Imaging for TAVI Chris Naoum

1200 - 1220 Echocardiography during and after TAVI Greg Scalia

1220 -1320 Lunch

Native and Prosthetic Aortic Valve Disease

1320 - 1340 Paradoxical or Not: Low Flow, Low Gradient Aortic Stenosis Ravinay Bhindi

1340 - 1400 Bicuspid Aortic Valve Disease: Is There A Role for TAVI ? Raj Makkar

1400 - 1420 Transcatheter Valve-in-Valve Implantation for Failing Aortic Bioprostheses Martin Ng

Determinants of Patient Outcomes in TAVI

1420 - 1450 Who Shouldn't Undergo TAVI ? Can We Identify Poor Responders? Martin Ng

1450 - 1510 How to Assess Frailty and Its Relevance in an Elderly Aortic Stenosis Patient Cristina Christoloveanu

1510 - 1530 TAVI Complications: incidence, trends and management Darren Walters

1530 - 1600 Afternoon Tea

TAVI Device Technology and Case Discussions

1600 - 1620 TAVI Device Technologies: A Comparative Overview Ronen Gurvitch

1620 - 1640 Subclinical Leaflet Thrombosis and Valve Durability - diagnosis, implications and management Raj Makkar

1640 - 1700 When the transfemoral TAVI is not possible: Alternate Access for TAVI Michael Wilson

1700 - 1720 Choosing Between TAVI and SAVR for AS: A Heart Team Approach All Faculty To Participate
